G  3fr

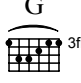

D  5fr

kiss on the lips and I was

F  G  3fr

on my knees. I'm wait - ing, give me.

**Fine**

*( Additional lyrics )*

**Verse 2:**

Gonna take her out, she's my latest attraction.  
 Gonna hang around, wanna get a reaction. Yeah.  
 Gonna take her home 'cause she's over romancing,  
 Don't wanna hold hands and talk about our little plans, alright!
